Catalog and Advertising by Cow Camp Promotions

View video of all sale lots at www.dvauction.com or at www.bigskyelitesale.com.

TERMS AND CONDITIONS

1. The terms of the sale are cash. USDA P&S requires payment be made within 4 days of purchase.
2. Each animal will be sold to the highest bidder. The person in charge will settle any disputes as to bids, and his decision on such matters shall be final.
3. Any announcement from the seller on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes buyer's risk as soon as sold; but it shall be the obligation of the seller to see that animals are fed and cared for, free of charge to purchaser, until loaded for shipment or until the expiration of December 20th of the current year.
6. All claims for adjustment for bred females must be made before May 1st of the following year. All claims for adjustment for heifer calves must be made by September 1st of the following year.
7. Everyone attending this sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
8. Trucking by arrangement. Free on \$3000+ invoice average to pick up locations in Madras, OR, Canton, OK, Douds, AI, Aberdeen, SD.
9. A certificate of registry and transfer shall be furnished for each registered bred female sold at a final bid price of \$1,500 or higher. A certificate of registry and transfer shall be furnished for each registered heifer calf sold at a final bid price of \$1,200 or higher. If final bid price is less than either of these amounts the cattle will be considered commercial. Certificates of registry may be purchased for the difference.
10. The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.

Welcome to the 2024 Big Sky Elite Female Sale!

The past year has certainly been an excellent opportunity for cattle producers to enjoy a great market for all sectors of the beef industry. With cattle numbers at their lowest levels since the 1950s, the interest and demand to add carcass quality to the U.S. cow herd is the most important factor in today's beef industry. Nothing can change a herd more quickly than investing in quality genetics. Red Angus cattle offer more to the industry than any other beef breed with quiet dispositions, tremendous maternal traits, great milk production and mothering abilities, and added IMF and marbling traits to increase the finished carcass value.

The Big Sky Elite auction has become one of the best sources for extreme quality in Red Angus production females in the nation. The four Red Angus breeders and operations represented are some of the most progressive and forward-thinking cattlemen and women in the industry. With over 80 head of bred heifers, an elite set of young cows and some "choice of the herd" lots selling, this auction offers you the opportunity to invest in some of the highest quality Red Angus genetics offered anywhere in the world.

The Big Sky Elite cattle are as advanced as any available in the industry with GGP DNA testing, enhanced EPDs, and producers that will back their product after the auction. If you want to start a Red Angus herd or add to your existing program, these cattle will make serious advancements in genetic progress and offer you years of dedicated herd management to get to this level of beef production.

I will be in Montana and available to analyze any of the lots in this auction on Monday afternoon and Tuesday, (December 2 and 3). I would love to discuss any of the cattle or programs producing them and will give you my unbiased opinion of any of these cattle. If you cannot attend, please tune in via DVAuction and bid live while the cattle are selling.

If you haven't tried Red Angus yet, it is time for you to discover the greatest beef breed on the planet!

I look forward to seeing you in Three Forks, Montana, on Dec. 2-4.

Best Regards,

Kyle Gilchrist

704 is a cow that has done everything right her whole life. She boasts an MPPA of 109 and never seems to miss. In 2020 we sold her first son, Feddes Treadstone 9352, that was the second high selling bull that year to Leland Red Angus. He has gone on to sire top bulls each year and his daughters are coming to the top in herds across the country. She has 2 other sons working in purebred herds. Her Drifter daughter last year was the second high weaning heifer and has a phenotype that will make you drool. 704 has extra length with extreme depth of rib and rib shape. With a perfect udder and great feet she is structurally correct and carries herself the way you'd like to see every cow. 704 boasts 14 traits in the top 33% of the breed. She excels in nearly every category. She has some of the top Blockana cows in her pedigree including 8121, 173 and the famous Blockana 899 and 4231. With 4 daughters in production and 40 embryos in the tank we decided it was time to let her make an impact on another herd. She sells open, ready to flush. We would like to retain the right to 2 future flushes at the buyers convenience and our expense.

Bred to: HRP RAIDER 2020K (#4623663) DKK CALIBER 2065 (#4598931) Due Date: 2/3/25

This exceptional female has "mama cow" written all over her. Gorgeous, easy-fleshing, and broody, DKK Marigold 7070 is in the prime of her life. An embryo transplant from our top pick (L231) from the Buffalo Creek Dispersal and the renowned Make Mimi, she boasts an impressive 108 MPPA over six natural calves. All three of her daughters have been retained in the Klompien herd. Her 2022-born bull was a feature in the 2023 sale; and her 2024 bull is already boasting 111 weaning ratio and coming on strong, highlighting the excellence of the Marigold Cow Family.

**GREEN MOUNTAIN
RED ANGUS**

**PICK OF GMRA
BRED OR OPEN HEIFERS**

Here is a pick right out of the Green Mountain Red Angus bred heifers or open heifer replacement pen! There are over 150 females to choose from featuring sire lines including Apache, Energize, Excellence, Foreman, Game Changer, Investment, Jumpstart, King James, Patriot, Spartacus and Stockmarket. Service sires to the bred heifers include Checkmate, Jumpstart, King James, Prime-Time and Solid State. This is a prime opportunity to wade into GMRA's top-end genetics with powerful performance and breed leading traits. Don't miss the chance to have complete control in purchasing a foundation female! A full listing of females and their pertinent data is available to review at www.gmracattle.com. Feel free to contact us prior to the sale if you have any questions or would like any additional information.

C-T RED ANGUS

**PICK OF C-T RED ANGUS
BRED OR OPEN HEIFERS**

This will be the first time we have ever offered a pick of our females in the 30 years of raising registered Red Angus cattle. We feel that we have some of the top cow families in the breed and have always put a ton of emphasis on the "Mother Cow"! You can pick from over 103 heifers, from many proven cow families such as the Blockana's, Tina's, Miss Pan's, Linsey's, Vrdales, Verdi's, ect...! These heifers will be sired by some of the top female makers in the business such as C-T Red Rock 5033, C-T Reputation 0094, Bieber Energize, Bieber PayDay, C-T Markets Up 2119, Bieber Jumpstart, HRP Raider 2020, TAC Drifter H10! Please take note of this opportunity as we would be proud to show you our cow herd!

C-T Miss Pan 3077

FEDDES RED ANGUS

Feddes Lakina 024-365

2024 NILE Futurity Champion and High Seller at \$12,000

PICK OF FEDDES BRED OR OPEN HEIFERS

The opportunity to pick out of the Feddes Red Angus bred heifers doesn't come around often. These are some of the most phenotypic and genomically progressive genetics in the breed. They represent some of the most sought-after cow families in the breed, including Blockana, Lakina and Sleek to name a few. Sires represented include C-T Reputation, Drifter, Coach Wooden, Resource 137E, C-T Red Rock, Stockmarket, Energize and other. Service sires include bulls that still aren't on the market or weren't this spring giving you the opportunity to get in on the first calf crop. The service sire bulls include Feddes Eastwood, Feddes Amsterdam, Pieper Cadillac, Bieber Pay Day, C-T Reputation & C-T Markets Up.

Bred to: BIEBER PAY DAY K113 (#4620475)

Due Date: 2/10/25

Here is a Stockmarket heifer you will want to take "Notice" of! She will make you look twice in the pen with an extremely stylish phenotype, lots of volume, muscle, and a nice foot and leg set. She stems from the very maternal "Tina" cow family and has tons of personal performance with 107 WR and 104 YR. Big time EPDs with 10 traits in the top 25%. Her dam posts a 100 MPPA. This mating to Bieber PayDay K113 will be an exciting one!

Bred to: C-T REPUTATION 0094 (#4296453)

Due Date: 2/15/25

One of my favorite Stockmarket heifers with tons of eye appeal, performance and carcass. Along with a beautiful phenotype, she also has very correct feet and legs and stems from one of our top cow families the Blockana's. Her dam is an 8-year-old cow with a 104 MPPA. This mating will be exciting to one of the top herd sires at Beef 360, C-T Reputation 0094.

This girl is what you would expect from a combination of outstanding sires: Stockmarket x Brunswick. She has top-notch personal performance. Starting out at a modest 65# she turned in 110 and 113 WR and YR, respectively. Her WR ranked as #10 in the heifer class of 2023, and she tied for the #7 YR. Feet and leg scores are excellent. She shows outstanding capacity with a broad chest floor, a straight topline, and a generous hip and rear quarter. The generational cow family is strong with a dam's MPPA of 106 and 108 on the granddam. Numbers are leading the pack with single-digit percentile HB and GM indices, all growth in the top 2% and Marb, CW and REA in the top 6% or higher.

Comments at yearling evaluation sum it up: She wears it all very nicely. She ranked above average for length, depth, and capacity with a very high overall rating. All that eye appeal sits upon an ideal set of feet and legs. Her dam always performs well and turns in a 101 MPPA on 9 calves. This heifer was her best overall with a 106 WR and 105 YR. Farther down the pedigree you see MPPAs at 103, 101 and even a 105. Her EPDs are solid with 2/3rd in the top half of the breed. Standouts in the top 1/3rd or higher are across the board, from indices to maternal and carcass to growth.

Bred Heifers

Lot 24

line of performance-minded females. Direct lineage MPPAs read 100, 101, 101, 101, 103 and on it goes. They always stick the landing and deliver solid performance progeny. Profit drivers of growth, CW, Marb and REA are all in the top 6-18%. The Solid State calf on board has a nice set of projected EPDs with only 3 not making the top 50% or higher.

This gal turned in one of our highest overall scores at evaluation time. She is easy on the eye with great muscle expression and a broody look. Feet and leg scores are excellent as well. The maternal line carries a "who's who" of performance, including MPPAs no lower than 100 and going all the way up to 108 for several generations. Numbers are impressive and lead off with ProS and HB at 1 and GM at 8. Birth numbers are moderate while growth excels. Maternal is strong with a top 1% Stay. Single-digit percentile CW and REA round out the package.

There is quite a number set here. The first thing you see is ALL indices at 1%! That's unheard of – almost... When I searched for those parameters on RAA's website here's what I found. Of all Category A and B females in the entire registry there is not a single female with all 3 indices that exceed hers. There are three that have a single index that is higher and there is one that has 2 higher, but no other has 3. Stay and Marbling also hit

the top 1%. Calving Ease is front and center along with ADG, Milk, YG and REA. She is a one-way ticket to upping your prospective progeny outcomes!

Bred to: **FEDDES FCC SOLID STATE 3602 (#4728149)**

Due Date: **3/8/25**

The Investment progeny have performed very well as calves. This set of bred heifers will be the first in production and we are excited to see the results. This heifer received top marks for length while showing a smooth muscle pattern. The number profile emphasizes ProS and GM indices with breed-leading Stay and Marb. The Solid State calf on board takes ProS into the top 1%, HB goes to the top 8%, and GM moves up to the top 3%.

Bred to: **FEDDES FCC SOLID STATE 3602 (#4728149)**

Due Date: **3/2/25**

This Energize daughter is out of a first-calf heifer that gave her the lowest BW of the year, and she still made the cut for the replacement pen. At yearling her feet and leg evaluations were perfect with all scores at 5. She has a ton of capacity with a straight smooth conformation. She comes complete with single-digit percentile ProS and GM indices.

Birth is at the top of the breed, along with DMI, Milk and CEM. Moving forward, her dam is excelling, with her 2024 born calf hitting the ground at 66# and turning in the 2nd highest WR of all bulls on test at 122. Maternal is all there.

DKK Diamond 3096's EPD profile is outstanding, featuring 10 EPDs/Indices in the top 26% of the breed. This high-performance beauty combines exceptional maternal and carcass traits, placing her in the top 6% for ProS. Following her dam's legacy – who boasts a 106 MPPA and a 357-day calving interval over seven natural calves – 3096 promises near-perfect feet and udder quality.

Bred to: **FEDDES EASTWOOD D82-3284 (#4787522)** **FEDDES 806-3215 (#4787660)** Due Date: **2/6/25**

This heifer comes from a top donor in the C-T herd that was purchased out of this very sale and was their Elite lot that year and was a daughter of the famous Mulberry. This Energize heifer has a little more frame and power than most Energize females. Her mother had great feet and a perfect udder and boasted an MPPA of 103 on 12 natural calves. With

top maternal traits we expect this heifer to become a great cow for many years and produce even more valuable. This mating will put you at the leading edge of the breed with one of the first calves out of Eastwood.

Lot 33

has 127 registered progeny to her name. 3317 boasts top percentiles including CED 20%, BW 18%, WW 9%, YW 12%, ADG 19%, Milk 21%, CEM 21% and MARB 18%. She is bred to Bieber Pay Day, who was our pick of the sale that year and whose calves are coming to the top this year in the bull pen and the replacement pen.

Bred to: **BIEBER PAYDAY K113 4620475** Due Date: **2/7/25**

Here is a cool opportunity you won't find very many places. This heifer's maternal granddam is none other than Bieber Laura 158W. 158W is the mother of Bieber Hard Drive, Bieber Deep End and Bieber Gladiator. 158W has produced some of the highest used sires in the breed as well as top donors all over the country. 158W boasts an MPPA of 111 and to Bieber Pay Day, who was our pick of the sale that year and whose calves are coming to the top this year in the bull pen and the replacement pen.

Lot 34

with a great phenotype that will go on and be the front pasture type this is the one for you. As a bonus, she is bred to one of the top selling bulls of the entire year, Pieper Cadillac that we purchased with Select Sires this spring. Cadillac may very well be one of the very best bulls we have ever laid eyes on and you could be one of the very first people to have a calf out of him. 417C X Cadillac is a truly exciting mating.

Bred to: **C-T PERFORMANCE 0135 (#4296309) OR BIEBER CHECKMATE K126 (#4620529)** Due Date: 4/18/25

Just look at the phenotype! Extremely straight, yet broad topline, great spring of rib with plenty of capacity, a great muscle pattern, and outstanding feet and legs with a beautiful udder. She has been a top performer since her first calf hit the ground, taking an extremely light BW to top notch WR/YR of 108/105. She hasn't slowed down since, turning in an MPPA of 102 on 4. Her average BR is below average, while average WR and YR sit at 103 and 108. All progeny have been retained. There is a great maternal pedigree with performance-minded dams posting MPPAs all the way up to 104 in the direct lineage. The number package has 14 in the top half of the breed, with 12 in the top 25% and 10 in the top 10%. Indices are outstanding, and breed-leading growth combines with multiple standouts in carcass and maternal.

Bred to: **BIEBER CHECKMATE K126 (#4620529)**

Due Date: 4/16/25

The Brunswick daughters have stood the test of time, and this girl is all the proof you need! This Estonia dam is in her prime, and just like her dam, posts a 107 MPPA. Overall, she has an average WR of 109, average YR of 106, an average IMF of 122 and REA of 100 on her bull calves. Her 2024 Investment bull calf took a perfect 86# BW to a 106 WR

and is standing on test for next year's bull sale. Feet and udder scores taken at calving are outstanding. Her feminine front end leads to great spring of rib with extra capacity. On top of all that she comes with an incredibly complete set of EPDs, with 14 of the 19 in the top half of the breed and 11 of those in the top 25%. All indices are in the top 15% and growth and carcass are consistent high-end numbers.

In this case, Brunswick spells C-A-P-A-C-I-T-Y. Just look at the depth and spring of rib! And it sits atop a solid base with a perfect set of feet and leg scores. She has a well below average BR, while turning in an average 105/106 for WR/YR, giving her an MPPA of 103. Only 3 of her EPDs are not in the top half of the breed. She has single-digit percentile ProS and HB and all maternal numbers sit in the top 25%. Growth and carcass numbers stay strong as well, with most sitting in the top 25% or higher.

Don't worry about the short fly swatter on this one – it hasn't slowed her down! Her MPPA is 102 and she raised a 64# King James heifer that posted a 104 WR and is standing in the replacement pen. Udder scores at calving time were excellent as were feet and leg scores. Her growth EPDs are outstanding with all markers in the top 1% of the breed, while Marb sits at 21% with CW at 11%. She's the type that will build replacements while keeping an eye towards performance!

This Independence daughter proves out the calving ease with a well below average BR, and still turns in an MPPA of 102. At 5 going on 6, she is still turning in a perfect set of feet and leg scores. Phenotype is beautiful – clean-fronted, with a smooth shoulder that leads into fantastic depth and capacity with a broad top and ample rear quarter. She carries a nice set of calving ease numbers combined with good maternal and ProS index in the top 22% of the breed, while HB and GM stay in the top 1/3rd.

to excel every year. There is another impressive number set here with 12 EPDs in the top 1/3rd of the breed and 10 of those in the top 25%. Powerful growth with lots of maternal and standouts in carcass lead to a consistent top-notch set of indices.

This picture is a perfect example of why we love grazing all summer in the Bridger Mountains! This Declaration daughter weaned off a showy Patriot bull calf at 102. She is just stepping into her prime. She is out of a phenomenal dam that posted a 110 MPPA during her tenure at GMRA. If she follows in her footsteps, her production will continue

Bred to: ANGELO ROLL ON 0057 (#4310101) Due Date: 4/9/25

CK Cameo 0110 With a 102 MPPA at just four years old, she has clearly proven her ability to produce quality offspring. Her balance of femininity and power just add to her eye appeal. Being a direct daughter of PIE One of a Kind 510 certainly enhances her pedigree. That 103 WR for her 2024 heifer is noteworthy and suggests she is passing on those strong genetics.

Bred to: **BIEBER NASDAQ K402 (#4661949)**

Due Date: 4/30/25

Do not miss the chance to take home this young powerhouse with an incredible 110 MPPA! She has all the power of Heavily Armed but stays viable with acceptable birth. Her first calf hit the ground at 69# and he went on to the GMRA bull test with the #1 WR of 124! There is a long list of powerful Ophelia dams in the pedigree with the direct lineage

MPPAs ranging from 100 all the way up to 109. EPDs are right in line with moderate BW, top-notch growth, and impressive maternal. Excellent feet and leg structure set the base for a feminine, capacious body type with a beautiful udder.

Bred to: **BIEBER CHECKMATE K126 (#4620529)**

Due Date: 4/28/25

The powerful Lakota cow family behind this Excellence daughter brings alot to the table. Dams in the pedigree never drop below an MPPA of 100 for more than 30 years. This young female looks like she will follow suit. Her first calf hit the ground at 55# and she weaned off with a WR of 101. Her picture, taken shortly after weaning, shows a beautiful

cherry-red first-calf heifer in her working clothes. At calving she received excellent scores for feet and leg composition as well as udder conformation. Excellent growth numbers round out the package.

Bieber Checkmate K126, Service Sire

Bred to: **BIEBER CHECKMATE K126 (#4620529)**

Due Date: 4/25/25

This gal comes from a strong cow family with MPPAs reaching all the way to 108. Her own personal performance was outstanding with a WR of 111 and a YR of 104. We were very excited for her Stockmarket calf this year, but unfortunately, he got sick in the spring and just never came out of it. Now it is your turn to give her a chance to prove out her single-digit percentile growth numbers and impressive heritage! The Checkmate calf on board has projected growth numbers in the top 1% with impressive CW and GM.

Bred to: **BIEBER PAYDAY K113 (#4620475)**

Due Date: 3/13/25

3320 goes back to the Verdale cow family. Her granddam is Verdale 5011 who is an outstanding donor in the C-T herd. This bred heifer is moderate with a great phenotype. She's bred to Bieber Payday which should add some frame and power. Her mother had a fantastic udder and great feet which is typical of the Resource 137E daughters. This heifer should make a great cow.

Bred to: **FEDDES FCC SOLID STATE 3602 (#4728149)**

Due Date: 3/27/25

Apache went into our breeding program as a high-performance Excellence son with an outstanding phenotype. This heifer is a perfect example of all the things he brings to the table. She turned in the #3 WR of 116 and tied for the #9 YR of 112 in the class of 2023. She is powerfully built with a beautiful muscle expression, a deep rear quarter and plenty of spring of rib while having a smaller head and smooth shoulder. Her impressive Stay in the top 3% of the breed leads to a HB in the top 9%.

Bred to: **BIEBER CHECKMATE K126 (#4620529)**

Due Date: 4/20/25

The Patriot progeny just stand out. They carry tons of eye-appeal and performance. At yearling evaluations, she received all 5's for feet and leg structure. Her phenotype shows a broad top with a thick rear quarter, tons of capacity, and plenty of length. Her BW was a moderate 68# that she took to a 108 WR and 101 YR. She is out of the performance-

minded Lakota cow family with MPPAs reading: 100, 107, 106, 104, 108, 112 in the direct lineage for over 40 years. Her EPD profile places all but 3 in the top half of the breed with 11 in the top 25% or higher. With a number set like this there are standouts across the board. She will be easy to breed!

Lot 106

MPPA of 111 with an average WR of 113 and YR of 111 with all retained. Just look at the performance on this bred heifer that she raised as a 12-year-old – WR of 107 and YR of 112. Feet and leg scores are excellent. The look of a performance-minded brood cow is there with tons of capacity and a broad hip. A straight topline leads into a deep rear quarter and a broad chest floor. The number set is strong with five profit generators in the top 1%.

This girl's dam is in her prime with an MPPA of 104. This heifer turned in a personal WR of 105. There is plenty of depth and capacity with a beautiful straight topline and ideal feet and leg scores. The numbers that drive profit are all present here. GM index and growth are in the top quarter of the breed and CW and REA sit at 4% and 8%, respectively. The calf on board does nothing but improve with well over half of the projected EPDs moving in the positive direction and only 4 missing the top 50% mark.

Bred to: **HAWK CAPTAIN 2310 (#4877108)**

Due Date: 4/15/25

A powerful, deep ribbed Coach Wooden heifer stemming from the very maternal Chris cow family. She comes with extra personal performance posting a 112 WR and a 119 YR. Her dam is a 9-year-old Conquest cow that just makes them good every time and she is earning a 104 MPPA. If you like performance be sure to take a look!

Bred to: **FEDDES FCC SOLID STATE 3602 (#4728149)**

Due Date: 3/29/25

This Excellence daughter is smooth made and ranked 5's across the board for feet and leg structure. Her maternal pedigree is outstanding with the first 3 generations of MPPAs reading 104, 105, 105. There is only one MPPA under 100 in the first seven direct generations, going back to a dam born in 1973. The number set is all there with 15 in the top half of the breed or higher. A GM index at 7% highlights the carcass numbers that range from the top 1% to 33%.

Lot 121

a 106 WR and 109 YR. As a yearling she received perfect scores for feet and legs. Phenotypic evaluations were outstanding with extra depth, capacity and thickness. She is a growth specialist with all performance driven EPDs in the top 2%.

Due Date: 3/29/25

This Stockmarket daughter was out of a first-calf heifer. When making breeding decisions in the spring of 2023 we decided to breed her dam to Stockmarket again, due to this heifer's eye appeal. Good idea! Her 2nd calf, another heifer, is in this year's replacement pen with a 110 WR, placing her in the top 10% of the class. The dam posts an MPPA of 103. Numbers are strong with standout growth, a top 1% Marb and single digit CEM, ProS and HB.

Due Date: 4/10/25

Not every day do you get the chance to purchase a maternal sister to one of the breeds top bulls, STRA Relentless. You read that right, STRA Cherabel is the mother of both. She was our pick out of the North Dakota state sale. Her sire is none other than U2 Township, the record breaking 137E son from north of the border. This cow has a great udder and walks

on excellent feet. We were disappointed when she came up later bred. She has one daughter that will calve this spring and one in the replacement pen. Our loss is your gain. Multiple sires, calf will need to be DNA'd.

Bred to: BIEBER CHECKMATE K126 (#4620529) Due Date: 4/20/25

This pedigree combines the heavy-muscled performance look of the Epic (Odyssey) cattle with the more refined, maternal phenotype of the Trilogy daughters. She comes from a long line of performance-minded dams with MPPAs up to 104 going 5 generations deep. EPDs don't disappoint with high-end maternal, growth and indices in the top 30%. Her 2024 heifer calf weaned off at 105 and is standing in the GMRA replacement pen.

Bred to: **BIEBER CHECKMATE K126 (#4620529)**

Due Date: 4/30/25

This cow came into the Big Sky Elite sale last year and was our top pick out of the Klompfen Red Angus herd. We're sad to see her go as she put her all into raising a beautiful heifer calf that posted a 115 WR. She has an MPPA of 104 on 5 calves, following in the footsteps of a powerful dam with a 106. Her EPD package is solid with all growth in the top 10% and a Stay at 7%. Take that performance home and just wait for the Checkmate calf on board!

Bred to: **BIEBER NASDAQ K402 (#4661949)**

Due Date: 4/20/25

A high-performance maternal pedigree stands behind this young dam. There are standout MPPAs such as 109, 104 and 105 in the direct lineage. Her own dam hit the 109 mark and weaned off 8 calves with an average WR of 110 during her tenure at GMRA. Look for an enhanced set of numbers in the calf on board, that accentuates breed-leading growth EPDs.

Here is a smooth-made young dam with a beautiful muscle pattern and plenty of eye appeal. There is a long line of performance in the maternal lineage, going back 5 generations posting MPPAs from 100 to 109. Numbers don't disappoint, with WW and YW in the top 1%, followed by ADG at 3% and CW at 7% with this year's heifer calf going into the replacement pen.

Lot 136

shows a straight top-line with capacity and a smooth front. At calving time evaluations, 108J received perfect marks for feet and legs. Calving ease numbers are at the top of the breed, along with top-notch Marb and REA. Indices are all in the top 21% of the breed. NasDaq will complement the set and accelerate growth.

There is a powerful pedigree here on both the top and bottom. The maternal pedigree is a who's who of performance-minded Lakota females with MPPAs reading 100, 102, 107, 106, 104 in the direct lineage. It is stacked with well-known female producers such as Marias, Trilogy, and Redemption. This pedigree lends to a feminine conformation that

Due Date: 4/30/25

This young lady is starting to impress. She posted a personal BW of 59, and still made the cut into the replacement pen. She maintains calving ease, and this year weaned off a 72# heifer at 108. She comes with a stellar set of indices, all in the top 20%. Calving ease numbers back up personal performance and maternal stays strong. The Checkmate calf on board will accelerate the growth numbers, while maintaining calving ease.
